

# Pricelist - Fumbi Index portfolio

Valid from 28.07.2020

Deposit	Multi-Exchange fee	Portfolio fee p.a.	Success fee
< 500 €	0,75%	3,00 %	5,90 %
< 10 000 €		2,50 %	4,90 %
< 100 000 €		2,00 %	3,90 %
more than 100 000 €		1,50 %	2,90 %

Minimal amount for each deposit is **50 €**.

The limit for partial withdrawal is **10 000 €**.

**Multi-Exchange fee** – One-time fee payable at deposit and withdrawal. It covers both primary conversion between FIAT and basic cryptocurrencies (mainly BTC, ETH, LTC) and secondary conversion to/from the other cryptocurrencies in accordance with Fumbi Algorithm and current availability on multiple exchanges and OTC markets.

**Portfolio fee p.a.** – Annual fee for the use of the Fumbi Algorithm, which enables value monitoring of the market capitalization of cryptocurrencies. It is paid from each deposit aliquot as of the anniversary date of the first deposit. The fee includes the cost of recalculating the portfolio for the whole year.

**Success fee** – One-time fee from your profit at withdrawal. It is paid if the investor withdraws with a profit in the first two years from the first investment. After two years, this fee is not paid. Profit is calculated as your withdrawal value minus deposits. In case of loss, this fee is not paid.
